

Open Campus Privileges

- 1) Open Campus Privileges are available to all grade eleven and twelve students during the Lunch Break. Students who have attained the Honour Roll may have Open Campus Privileges during their free study periods also.
- 2) Students with Open Campus Privileges may leave the school grounds during lunchtime or, for Honour Roll students, during their free study periods. These students may also be allowed to leave during other periods (e.g. Distance Education) with the approval of that teacher.
- 3) To access these privileges each student must return the Open Campus Permission Form signed by their parents.
- 4) Before leaving the school grounds, each student must personally sign out on the log which is kept in the high school building. Upon return, they should sign back in.
- 5) Open Campus Privileges will ordinarily remain in force throughout the school year as long as the student remains on the Honour Roll for each Quarterly Report. Returning students who finished the previous year on the Honour Roll may begin the first quarter with Open Campus Privileges.
- 6) Students who abuse these privileges (e.g. failure to sign out, returning late, marks declining significantly, unsafe operation of vehicles, misbehaviour off campus, etc.) will have their Open Campus Privileges revoked.
