

AIRDRIE KOINONIA CHRISTIAN SCHOOL SUPPLY LIST 2011-2012

ELEMENTARY LIST - GRADES ONE THROUGH SIX

Please use this checklist when purchasing supplies for next year. We have been quite specific about some things for a reason. For example, inexpensive white erasers often smudge badly. It will help the teachers immensely if every student comes prepared on the first day (as opposed to some time the first week ☺). **For students in grades one through six we are asking parents to purchase a notebook/duotang/pencil packet from the school.** This will contain all the notebooks that your child will need for the entire year, and will ensure that all students have the right kind of notebook. In the same way, if all students have the same color of duotang for the same subject, it makes things much simpler, particularly at the beginning of the year. We will be purchasing pencils in bulk this year to control the quality. Thanks for your cooperation! ****Extra supplies will be stored at school.**

PLEASE MAKE SURE THAT ALL ITEMS COMING TO SCHOOL (lunch kits, jackets, snow pants, mitts, etc.) ARE CLEARLY MARKED SO THAT THEY CAN FIND THEIR WAY HOME AGAIN.

SECONDARY LIST – GRADES 7-12

However, **please do not bring everything to school; leave excess materials at home to replenish supplies as the year progresses.** Space is limited! Also, don't label notebooks or duotangs with the subject until the first days of school as certain items will be used for certain subjects. Thanks for your cooperation!
