MAIN LEVEL FLOOR PLAN

We are very pleased to welcome **Royal Nails Studio** as a sponsor of the Girl's Change Room in our new school!

Locally owned and operated by Marina Thomson; she offers her customers a truly personal European Spa Experience. Marina has been in the spa industry for over 10 years, starting out in her home country of Russia and then in Canada since 2010. Working in various high end spas over the years she has come to realize that the big "spa industry" is not for her. Marina does not like to rush her work; she'd rather take the necessary time to do a proper job and even help teach the customer how to maintain healthy hands and feet. "I like to help people of any age with any problem."

Marina's friendly, professional and informative approach to beauty and spa is the hallmark of her service. "I guarantee you a unique and highly specialized experience at Royal Nails." When asked to describe her company, Marina summed it up as, "a girl should look two things: Classy and Fabulous!" But her services are not limited to just

ladies; she offers full manicures and pedicures for men as well.

What was her reason for becoming a sponsor at AKCS? Marina says, "As a relatively new business in Airdrie, I wanted to connect with people; I believe that growing my business will happen through creating relationships within the community and AKCS is a great place to start." Marina shares that she's a Christian running a new business and she tries to live that out in her work.

Marina has created a beautiful and relaxing environment in her home. She welcomes all, including parents with small children where they can hang out during their treatments. She offers gift certificates, Mother's/Father's Day packages and even Birthday Party Specials. To book an appointment with Marina please call her at 403-616-5234 or visit her website (www.royalnailsstudio.com).

Thank you Royal Nails Studio for being a proud supporter of Airdrie Koinonia Christian School!
